## COVID- 19 STATEMENT

May 28, 2020

Grace and Peace to You in Jesus' Name,

The Camping Association of the Presbyteries of Northwestern Pennsylvania, which operates Camp Lambec, is dedicated to providing safe, enjoyable, faith-filled camping and outdoor ministry programs. Because safety is our first priority, we have been monitoring the COVID-19 situation as the information becomes available.

**We are planning to hold our *most* of our camping programs for the summer of 2020 as earlier announced.** The CAPNWP Board of Directors has agreed to postpone Music Camp until the summer of 2021. Please know that this decision was not made lightly. After much prayer, discernment, and consultation with health officials we have decided that, due to the large numbers of campers that attend Music Camp, the best way to safeguard the health of those entrusted to our care during the COVID-19 pandemic is to postpone this camping session until the summer of 2021.

Our remaining programs: Wet N Wild, Wetter N Wilder, and Family Camps A, B, and C are still taking place. Those programs have much smaller numbers, making it possible to carry out the CDC recommendations for the safety of all. We will cap the number of registrations for each camp at 25 campers to ensure a smaller more manageable size.

To help ensure the safety of our campers and staff, CAPNWP is taking the necessary steps to properly disinfect camp buildings before and during our camping sessions. Additionally, our healthcare supervisor will use a "no touch" thermometer to check the temperature of incoming campers during the medical screening and we will check it every day thereafter and we will require campers and staff to use good handwashing techniques.

We will continue to be in contact with official sources as the situation develops so that we can make the best decisions possible. In the event that we must cancel, we'll will refund all registration fees (including the deposit). It is, however, our intention to hold Wet N Wild, Wetter N Wilder, and Family Camps: A, B, and C **this summer**. I look forward to seeing you at camp!

In Christ,

Randall Clow  
Transitional Executive
